

Ann was so loved in our FAS Internet community, especially the FASDAY people. Ann was on two mail lists that I run, Fasday (for awareness day) and Fasaholics (silly fun talk). Her sense of humor was a gift that she shared with us.

I have the memorial page guestbook ready for everyone to sign. <http://come-over.to/annquest.htm>

You are in my thoughts and prayers. I send hugs to comfort you. Ann and I have exchanged private emails for many years. Ann allowed me to post Sinja's photo with a story on my Fasstars pages: <http://www.come-over.to/fasstar/faspix/sinja.htm>

A photo of me is attached that you can use.
